BY CAR

Navigation system: If »Am Technologiezentrum« is unknown, select the **corner of Hugo-Eckener-Straße / Bürgermeister-Ulrich-Straße** as your destination. Coming from the autobahn A8, take the B17 towards Landsberg at the junction »Augsburg-West«. At the WWK arena, take the second exit (»Haunstetten-Nord«) and turn right into Bürgermeister-Ulrich-Straße. Follow this road for about 500 meters, turn left at the light and you have reached the destination street »Am Technologiezentrum«.

The **Am Technologiezentrum 10** location is situated to your left after about 50 meters, look for the Fraunhofer IGCV logo. **Parking spaces** are available next to the building in the multi-storey car park. The maximum vehicle height is 2 metres.

To get to the **Am Technologiezentrum 2** location follow the road until after the right-hand bend. The building and the entrance are to your left, before you cross the tram tracks and the roundabout. The main entrance is to the left of the building. **Parking spaces** are available directly in front of the building.

BY PUBLIC TRANSPORTATION

Take **tram line 3** (from the main station in the direction of »Haunstetten West«; via »Königsplatz« and »Haunstetter Straße«) to the »Innovationspark/LfU« stop. Looking north, you can see our building **Am Technologiezentrum 2**.

To get to **Am Technologiezentrum 10**, walk west past the building »Technologiezentrum Augsburg«. Our building is straight ahead of you. Look for the Fraunhofer IGCV logo.
